

## Ms. Laura's Group Class Video Collaboration

How to make your video:

1 - FIND the PLAY ALONG VIDEOS on the YouTube Playlist (link emailed)

2 - PRACTICE playing along with Ms. Laura's videos until you feel comfortable with your part and are ready to record.

3 - SET UP your "recording studio" space. Have a **background** that is as plain as possible (wall, closed door, curtain etc.) Make sure the **lighting source** is facing you and not behind you. If using a phone or ipad to record, make sure to use the **landscape** position. Center yourself in the camera so that **your entire violin and bow are visible**. Try to **match how Ms. Laura is positioned in the Play Along Videos**.

4 - WATCH and PLAY ALONG with Ms. Laura's video **on one device** (like a computer or smartphone). **Use earbuds or headphones** so that you do not record Ms. Laura's playing. Make sure there are not background distractions (other family members, pets etc.)

5 - VIDEO RECORD yourself **playing along** with Ms. Laura. For Example: Listen and watch on a smartphone and record on a computer. Or listen and watch on a computer and record on a smartphone. **Press Record** on the device that you will be using to record the video, then **get into place** and **push play** on the device that has the play along video of Ms. Laura.

6 - SEND your video to Ms. Laura. Before the deadline.
